Individualized Programming available 7 days a week.</b>	<b>December is Bingo's Birthday Month. It was invented in 1929!</b>	

The Darkness on Falcon

Of all the places I could be  
On Halloween this year  
I find myself right here with you  
And things here are quite queer

Bob Barker's doing interviews

A scarecrow at the Books

A herd of nerd in Therapy

It's nut each place I look

There's Pirates doing Social Work

A monkey doing clothes

The Tin Man's in the Beauty Shop

And Dorothy's on the phones

A clutch of Turtles playing games

A Crook is passing Meds

A witch went by without a broom

This messes with your head

I'd hate to think we might get stuck

In this place with these unknowns

Rod Serling a name for this

It's called the Twilight Zone
